DETAILED ACTION

CLAIMS PRESENTED

Claims 1-24 are presented.

The file history is unclear at this moment. The previous Office Action contained a rejection under 35 USC 112. Yet, the pre-Appeal Conference Request (as received by the Patent Office) does not appear to mention the rejection. Before any further confusion may be added, Applicant is requested to assist the Office on this matter that is important, albeit mundane. What is Applicant's position regarding this rejection under 35 USC 112?

Upon Applicant's answer to this question regarding the rejections under 35 USC 112, the Patent Office will provide a complete Office Action (including new references if needed). The goal of compact and speedy prosecution seems to be better met by the Patent Office waiting until Applicant's answer.

CLAIM REJECTIONS

The claims are remain rejected under 35 USC 112.

As Applicant correctly noted, the claims also remain rejected under prior art rejections.

Conclusion

The art made of record and not relied upon is considered pertinent to applicant's disclosure. The art disclosed general background.
